5.1. Welfare Officers (MP & SF)

MP:Wrote a round for the quiz, reducing shifts at McDonald's, willing to pick up slack while everyone has exams.

SF: EWD council cancelled due to lack of agenda items, LGBTQ* canceled, signed up to volunteer for Mental Health Awareness Week with Laura and Helena

5.2. International Officer (AK)

AK: Got head chewed off regarding my event, Lonsdale started criticising me and our JCR, and LUSU, she gave me a headache, emailed Laurence no reply, people complaining about Laurence (f**k Laurence, seconded by Phil contested by Helena), all the other officers are complaining to me, (TS: Me and other presidents have complained about CCO International), disappointed about SWBC

5.3. Sports Representatives (KSS & JE)

KSS: Carter shield was cancelled, as people tried to book pitches on the day, trying to sort out a date for the mixed doubles tournament after speaking to pool teams, next carter shield is week 5 rounders
JE: Carter shield being re arranged for week 4 or week 6, Football A's team now training on grass to stop accumulating more debt don't know about B's, will chase up Tom Hall about B-team football training.

5.4. Social Secretaries (HT & LT)

HT: Only going to get 50 t shirts for monopoly social going to get a form in for sports social and monopoly social as soon as possible, (TS: How close to the target for the run? HT: We've reached it with gift aid, meet at the JCR before the run)

LT: SEF was cancelled, started planning monopoly social, Tom Brind wants to do plant pots as a quiz prize, (PA: Help yourselves to cups etc TB: Questioning rationale behind quiz being irregular weeks (23,26,28,29) HT: Doesn't matter if it's irregular timing LT: It's based around our exams)

5.5. Audio-Visual Technician (SB)

Lonsdale borrowed our PA stuff but I wasn't available so Tom and Laura sorted it, (TB: We need to get some tips for the pool cues Jonathon the porter said he would do it if we could find the cues HT: is Simon PA kit trained? Will he be here for Extrav? TB: He can be trained SD: If he re-runs, he'll be here for Extrav)

5.6. Communications Officers (CA & AH)

CA: Nothing to report

AH: Made poster for the quiz and put it up, cancelled event for SWBC

5.7. Magazine Editor (DG)

Weekly Griffin sorted, the Griffin started on it will push it through and get it done (TS: will send you my article soon next few days)

5.8. Democracy and Finance Officer (SD)

Had election sub-com a lot happened, EU elections 22nd May everyone who lives on campus is registered to vote. CCO elections have changed, they will now be elected with the JCRs in Michaelmas, so the next set of CCO elections will be for a term of office for a term, (Sean's Top Tip: If you're going into your final year I would run in this set of elections if you want to be a CCO that is) Elections will run like this, Week 6: Notice of elections Week 7: Nominations Week 8: Campaigning and Voting for a week as there is a referendum at the same time. (PA: What positions are open on the JCR?) Sports and events technician, besides democracy I have also done some other stuff this week, worked out we can have a net spend of £805 this term excluding Extrav, been talking to Jon and Alex Taylor about their debt to the sports centre, have come up with ideas to fill it with fundraisers, typed up the past terms transactions and sent the accounts to Daryl for his article. Spoke to social team about Monopoly Bar Crawl T-shirt designs (see below click on it if you wish, credit to Joe)

Will sort out Ertz Cup stuff tomorrow (TS: Ertz cup rider? SD: Haven't sorted it yet HT: How is Ertz cup going? TS: Ticket sales building given away 100 tickets to darts team, why did they change CCO terms of office? SD: They just did, no consultation)

5.9. Vice President: Education and Welfare (PA)

It's actually gone to shit, on Thursday, Laurence asked Katy Thomas about health and safety, didn't realise it was a thing, JD has said it won't go ahead until 4 weeks have passed, Laurence had a go, I emailed events crew to put it on LUSU calendar they didn't, Laurence and JD problems, looking at week 8 Lonsdale have founders most people have finished by then, Katy Thomas is up LUSU's arse, (TS: There was no forms last year #GoodTimes), will have to piss off a lot of vendors like juice café by rearranging, Katy Thomas is doing the forms, tried to print off applications but printer is bust, have anonymised forms so it's just the answers no names,

(TB: When are interviews starting? PA: End of this month TS: I'll be all yours after week 5 Monday)

5.10. Vice President: Social and Events (TB)

Health and safety week for me, had safety walk round with Andrew park and Jayne on Thursday had to go through the document and say what decorations are possible, looking impossible to do dry ice, going to speak to Josh dean about ideas to fix it, Jayne has suggested a solution, Extravsub com meeting on Thursday, Alex Chau is on fire has an idea for poster and will do a board again, will comprise list for decorations, confirmed some acts like an X factor contestant, completed risk assessment for Extrav, went hamper shopping wrote a round for the quiz, (HT: How many people are on subcom? TB: 9 HT: Some people aren't pulling their weight need to be stricter with people PA: Suggests emailing chemistry department about getting dry ice)

5.11. President (TS)

Not done much week, went to Pres-com PG board chair has stepped down, talked about our degrees and SWBC to Laurence, next week there'll be a vote on Big Night Out in week 9, Damon messaged me about Gaystrav it'd be on a Wednesday week 9 normal sugar night (PA: With added gay people) BNO just seems like a money thing (HT: Don't think a lot of people will go TB: I want to say no we already have monopoly bar crawl, LT: £6 a t shirt seems too much basically choosing whether LUSU make more money not keen on trying to benefit students), Gaystrav asked for £80 for event, (TB: I didn't like it last year HT: Give the people what they want TS: Think a better name is Rainbow Rave Joel was meant to be here went to Ghana to set up a basketball team LT: BNO been discussed with other presidents? TS: Talked to Will about it he's not very fond of the idea, Pendle Grizedale and Fylde not that keen on it LT: Not big reaction for it on SEF group TS: don't think it'll be passed LT: No one has come to any conclusion on it TS: it's going to be a busy few weeks at the end of term with founders and legends either side so not everyone is keen on it)

6. Agenda Point**6.1. Hustings (SD)**

SD: Hustings will be Saturday or Sunday week 7 want to make Hustings fun, Tom suggested bring your own beer

TS: Furness' is fun, can do bring your own beer, get your own drinking game going, trying to make it more of a social

SD: Had an idea for buzzwords bingo with a prize for it

HT: I'm for it as long as people don't get too drunk don't want another Jordan Richards moment

PA: That was Joe's fauly

KS: Should do cracker eating contest

TS: Not again

HT: Don't want to humiliate them

PA: Like riding someone into your hust

7. AOB

7.1. Comedy Society Freshers (DG)

DG: President of comedy society wants to do an event again in Freshers week, he realised it was awful this year but wants another chance

TB: You enjoyed it

HT: If it was like roses one then it'll be good

TS: I'll be happy to talk to him, maybe scout it before we book them

TB: We should do some quality control

HT: Could trial it this term, see how it goes down
