1. Welcome

Hej!

2. Apologies

Sean accepted Helena's, Charlotte's and Amir's apologies.

3. Minutes of the last meeting

Minutes were unanimously approved

4. Matters arising

None. Quelle surprise.

5. Officers reports

5.1. Welfare Officers (MP & SF)

MP:Went to EWD with Sophie, main thing was County proposed exam stress relief event, Ellen said no as budget is unrealistic, Anna Lee proposed the formation of a liberation council, this was shot down, as only people who self defines can attend the meeting, joe o Neil said liberation council should fall under EWD councils mandate,

it annoys me, met up with Amir, Sophie about our event, will research board for the event

SF: Had LGBTQ* discussed Gaystrav going to be giving out wristbands for £1 entry for it at Founders, want to put stuff in college magazine about association in Freshers week, saying they would put people on the JCR for Freshers week, so they can be a point of contact, environment and ethics only 5 people attended, was meant to discuss petting zoo, new CCO and FTOs will look into it, talked about meetings considering rolling it into EWD, (PA: Are they going to release letter? SF: Not sure if they will TS: I read the letter argument was poor, it was literally petting zoos are bad Lancaster is good so we should ban them PA: Reindeers did look miserable at Christmas market)

5.2. International Officer (AK)

AK: No officer report submitted. (Probably revising in the library)

5.3. Sports Officers (KSS & JE)

KSS: Carter shield came 4th only had 5 people, were the underdogs met with sports captains to discuss social, messaged Buddha and Lounge it's going to be on Thursday, there is a theme famous pairs, spoken to them to include termly meeting, looked at prize for pool tournament, 1st prize pool queue, 2nd prize considering 50ps, could do a voucher system, 3rd prize go burrito, might need two queues, football don't want to share footballs (greedy), rounders' next week for Carter Shield (TS mentions an anecdote about inner thigh burn)

JE: During the meeting spoke to Lexi and Alex about the auction, if we want to auction off netball girls has to be next week, had 10-11 volunteers for auctions from football team (LADS!) speaking to Tom Hall and KamBaqai about getting more volunteers. (Tom offers his thanks for sorting everything #Motivational)

5.4. Social Secretaries (HT & LT)

HT: Savaged Michael's head with a pair of scissors for his Uganda project after the quiz. Attended the quiz which was hosted by Tom Stapleton and Dad, decent turn out for such a busy period which was good, also was a good quiz. SEG was cancelled this week as majority of people attending had sent apologies for exams, plus there was no real agenda according to Natalie Collins. Nominated people for LUSU awards. Was unable to attend Extrav meeting, and fresher's week meeting, which was held by LUSU on

Wednesday due to revision. Will do my best to keep up with important information during this period. Changed sport's social date as Alex Taylor suggested. I have informed Lounge about the change, they are okay with this. Informed Lounge about Monopoly social date change, they are also okay with this and I informed them that it will be Tom Stapleton who is dealing with them now (I think maybe Tom, you should message them so they know who you are, whenever you can). Emailed Tom Stapleton the Monopoly chance card templates. Sean, Laura and I have decided to sell Monopoly shirts at £3 each. Happy with this pro-student decision. Will be meeting with Jonathan and Laura to discuss sport auction and BBQ on Wednesday. Free to sell t-shirts next week for monopoly bar crawl and will be able to do sober duty for it on the Friday. Got some reading materials from MIND during fundraising (how to cope with stress, student life, loneliness, etc) which I am passing over to welfare peepz to keep in the office should anybody come to them with a problem, they've got some good tips in there. (Not that I needed to read them or anything...)

LT: Monopoly social this Friday, no SEF no agenda items, helped out with extra stuff.

5.5. Events Technician (SB)

Spoke to porter about film night can do it in Brandrigg room through the projector, helped out with Extrav

5.6. Communications Officers (CA & AH)

CA: Sorted about elections poster.

AH: Made Extrav event page, got posters to print off for elections

5.7. Magazine Editor (DG)

Second magazine nearly done, trying to get them both out together busy with revision.

5.8. Democracy and Finance Officer (SD)

Sent out nominations notice. Hustings is next Sunday at 8pm (trailing buzzwords bingo). Approved LUSU's strategic decision which people will vote on in week 8. Did a few forms, picked up the latest set of accounts. (TS: Poorly timed the elections a lot of clashes with events like founders etc SD: It is poorly timed as it clashes with first year exams which are the main 'market' for JCR recruits, not a lot I can do about it)

5.9. Vice President: Education and Welfare (PA)

Went to attend EWD but forget my money, spoke to fresher rep applicants on year abroad they have a later deadline, setting up interviews for them this week, (LT: Will post exam timetable on group so you know when people are free KS: Captains wanted to be fresher reps so they can get a few more people for trials PA: Just send me the names, don't how many we need TS: Edwina sent me an email about it PA: Not sure how many blocks we'll have TS: "She doesn't have a clue" (SD's note: I was told to minute that, this opinion doesn't reflect the JCR's opinion or my own))

5.10. Vice President: Social and Events (TB)

Trying to chase down contracts, been busy with exams Toms picked up the slack (SD: Rider list for acts do you want me to compile? TB: Yes PA: Have we got dry ice? TS: No PA: I had loads in the lab last week)

5.11. President (TS)

Did the quiz, intro week meeting on Tuesday had some better ideas for stuff to do, Pres-com had to go through the new budgets, colleges will be down £1200, money's been cut into innovation fund, LGBTQ's budget is now £0, sugar is going to close in 4-6 years apparently, discussed block grant, cut Scan's budget, done a lot with extrav, thanks to everyone, been talking to Amazeballs (Josh Dean), whenever anyone's free to come paint come on down, we need cardboard (PA: I can source it, have we got a plan? TS: Yes decorations and floor plan MP: Alex Chau is amazing TS: other extrav's opinion? TB: Why did Fylde change? PA: Furness theme is shit LT: I was surprised, it's a good theme but confusing TS: Lonsdale had a shocker with promotion)

6. Agenda Point

6.1. World Cup (SD)

SD: Are we doing anything for it? I know Sugar are showing the England game

PA: Why didn't we do anything like a mini-World Cup with bar sports, was going to ask Edweena about nationalities so we could do a World Cup

SD: We could do the big games like opening game in the bar

Pa: Odd times the game will be shown, do we have a TV license?

SD: Yes

PA: Will look into doing it in the Brandrigg room

6.2. Welfare campaigns (TS)

TS: Time? Day?

MP: Didn't think about that

TS: Think about that

7. AOB**7.1. JCR Camera (PA)**

PA: JCR camera are we still getting one?

SD: There's room or there should be room for it
