5.1. Welfare Officers (MP & SF)

MP: Attended first both Office hours. Amir sat in the JCR office with me deciding what Card to get Nefeli for various celebrations. No one came. Went to EWD. Will send the notes from that later. Anna

Lee still expressing her freedom as a woman. Sober dutied BNO. Wasn't as drunk as people thought I was. Just felt in a silly mood. Attended Time to Talk event in County. Was sad. Feel more aware of mental health based poetry. Had a HIV test (unrelated I know but at the Clinic I saw a Grizedale JCR exec member collecting information, leaflets and other free shit) Attended Furness's HIV event. Feel more aware of red ribbons and HIV.

SF: I attended the Super Bowl social on Sunday and EWD Council on Monday. On Tuesday I participated in a planning meeting run by LUSU Gives, in order to come up with ideas for what we can do during Mental Health Week in May. They focused on 7 different themes, of which they aim to focus on a different one each day with differing events / talks happening in Alex Square and around campus. I also went to the warm up event for MHW, "Time to Talk" on Thursday, it proved to be a successful and interesting event with a variety of readings / poems and relevant information. Setting up a meeting with Furness welfare team and the sports reps to discuss the welfare campaign we hope to run more and to finalise a slogan for the Patriot's bands. Action Point – Despite my dream of a full hatted JCR I have managed to refrain from buying any more hats.
