4. Matters arising

None

5. Officers reports

5.1. Welfare Officers (MP & SF)

SF: MP Posted that post about EWD, it was comprehensive and magnificent, I couldn't criticize it whatsoever. GoGreen Week: College led days are Tuesday and Thursday, Plastic bag amnesty, competition between colleges, email from Scott Nash, (PG board), asking about a collaboration with Grad College. LUSU Gives

nominated St John's hospice as the charity to benefit from the Beer Festival. Mental Health Awareness Week: SFis now part of the working group for the event on Thursday, LGBTQ*: was attended by a lot of FTO candidates.

(TB: Has anything come of the discussions for CCO Black? MP: Nothing as of yet. SF: Joel said to bring it up at Union Council. TS: Union Council is this Thursday)

5.2. International Officer (AK)

No Officer Report submitted

5.3. Sports Officers (KS)

No Officer Report submitted

5.4. Social Secretaries (HT & LT)

LT: Met TB and Helena, Bar crawl almost done. T-shirts should be here soon, Social form handed in, need to go to bars and hand out chance cards. (TS: Getting them laminated? LT: Yeah maybe TS: Get payment claim form. LT: V-Bar are being good ©HT: SCR giving us 3 £10 chance cards)SEG: St Patricks day. LUSU having a mare with Elements. Bentleys is suggested. Society Speed dating to get societies down and working with them. : Campus Fest. They want us to advertise it. Looking for DJs for Silent disco for Campus Fest. Cam said not to suggest DS for DJ.. LT and TS having a lover's tiff over Laurence and Laura's love.

HT: Awaiting reply from JD about PA kit training. I emailed about Alton Towers to LUSU Commercial Services, waiting for a reply but they'll get back to me about it

5.5. Communications Officers (CA & AH)

AH: Made posters for Amir's Cinema event, made monopoly bar crawl event page. (TS: Posters for Monopoly Bar Crawl? Want them up at 9pm Tuesday. CA is apparently "on it")

5.6. Magazine Editor (DG)

(TB: Do you want to say anything?DG: Nah you're alrightTB: You know the weekly griffin?DG: NoTS: Ask JoeDG: ...)

5.7. Democracy and Finance Officer (SD)

Ordered t-shirts for monopoly bar crawl on Tuesday, got told off by finance office again. Publicised elections came 2nd in voter turnout out of all the colleges. Had hustings on Monday was poorly attended?

5.8. Vice President: Education and Welfare (PA)

Emailed Caroline Arnold about missed Academic Council

Tuesday: Met with SF, met with Pendle and Lonsdale for SWBC meeting, date decided Sunday 18th of May. Wednesday, discussed Cartmel careers service. Moved it from Deanery office to Study area. Thinking of integrating Welfare into it. Sorted out Lancaster Award event on MY BIRTHDAY between 5 and 6 in Brandrigg Room. Went with Dave to a skills session and interviews. FLUX Cartmel team coaching. Talked to Lou Davies about the charities thing, she forwarded email onto Tim Holmes. Friday: Had lunch with Lord Lidl of Carlisle (Pro Chancellor). Went sailing with Salman at LICA. Stop Smoking event starts on Friday lasts for 2 weeks. Not available next Tuesday, at court. No Fresher rep applications as of yet. (TB: What good ideas were discussed at SWBC meeting? PA: Meditation Classes scrapped, not popular, people running them not SF: 18th of May? PA: Yeah SF: Last day of MHAW (Mental Health Awareness Week) PA: Good things: Pancake Man, Katy Thomas suggested it. PA suggested GoBurrito. Maybe get a barbecue. Don't Pay University Catering anything. TS: Look into it, talk to Andy Shaw. It's Cartmel, Lonnie, Grizedale, Pendle. LT: Ask Grad.)

5.9. Vice President: Social and Events (TB)

Trying to sort out headline act for Extrav. Echolocation, too pricy (talent finding company). Went Hamper shopping, was delightful. Gave out Stage to JD for Bright Futures (**LUSU were 25 minutes late. Up your game JD**), lent out Stage to Symeon. JD wants it for campus fest. (TS: He can't have it, Theatre Group has it. Live at the Oak want it for the day after Campus Fest)

Wednesday evening, attended #IWANTLUSUTO (Brindy was randomly selected, got paid £25) Interesting points: Communication is poor, Loads of people don't know anything about LUSU. Tom 'audited' the random selection and to the best of his judgement 50% didn't have a clue about roses, commercial services or where to go for information which "is sad". Won the worst league ever, it was ridiculous, and stupid and he alone cared. Helped Amir set up, then couldn't help him turn on projector.

5.10. President (TS)

Been emailing Jayne, Martin and Pole Fitness. They're not good, they can't follow the simple guidelines that Jayne set them out. Need to outline achievements for Union Council, PA handed details

of What Welfare have done, TS asks Daryl if he'd like to contribute DG: ". "

Everyone has fulfilled their mandates. Hurrah. I said the word "s****" on the microphone Callum could have got VNCdlol.

In talks with Sean (SD: Are we?) about Co-Opting Men's Sport's Rep, One idea for that, no ideas for Events Tech. Lunch with Pro Chancellor with SF and PA. Talked about keeping the Collegiate System. (PA: Point brought up that Colleges should be shrunk. TS: Lonsdale and county are huge. PA: Jayne said that 800 students should be the maximum.)

6. Agenda Point

6.1. Welfare and Social Calendars (TB)

They should be combined.

TB: Sports should be included

TS: Yes. SWBC? 18th. YES

PA: Helen thinks that people will turn up for Freshers week events because the Freshers week poster is still up.

TS: Looking for what to spend the left over budget on with Sean, College Camera

MP: Cardboard cut-out of Sean

TB: Dry-Ice? TS: They're £500, talk with Furness

PA: A new Gazebo? TS: General consensus of the state of the Gazebo was upsetting, distressing and generally deep with regret for the unsalvageable relationship with JD

LT: Can we suggest people for Events Tech

TB: Should we scrap Events Tech and have another Social Sec, TS: That's why we had VP: Socials, If we had a competent Events tech then the problems with Amir's event wouldn't have happened. MP: I think that the problems we've had with Events Tech is because of Callum.

LT: Callum was just lazy, the role is good

SF: Lonsdale have 3 LT: In Lonsdale, with no VP, a leader forms regardless. Eg. Symeon.

TS: I think that the system works well at the moment.

6.2. Revamping Careers Service (PA)

PA: Mentioned in Officer Report. Need more budget as a lot of Welfare budget has been spent already and there isn't much for

Academic events. Want to buy pizzas for Lancaster Award. Not Dominoes.

TS: Ask SCR, maybe get catering, Jayne loved the event when told

PA: Getting 3 boxes of Cartmel Porcelain mugs. Got loads of Bags from Lyndsey's office.

6.3. Sober Duty (LT)

AH, SF, DS, MP

Many banterers are had about the Manchester Bus Driver.

LT: Pretty sure the t-shirts say 3 stamps for free entry. (SD: T shirts design was agreed by social team before ordering, no autocracy here)

TS: Why's he always banging on about fucking Stamps. If it wasn't for that Pesky Sean and his meddling DJ ambitions.

TB: I'll contact Sugar instead of Sean.

6.4. FTO Elections (DS)

Everyone finds that the candidates were lacklustre. LT mentions Laurence again.

PA: the picture of Salman was silly.

LT: The results was a bit crap and mean. Caroline and Ellen were upset. Candidates were in Alphabetical order, Salman said to Joel that is was in alphabetical order.

TS: It wasn't a nice atmosphere.

TB: Part of the problem was that lots of candidates that people wanted to run, didn't.

TS: Think they'll be crap.

PA: Joel is good despite all the s--t I give him

TB: Laurence threw down a gauntlet (a whole one)

TS: Sean sent out an illegal Email and we were all massively disappointed, and I in particular was vastly demoralized.

6.5. Extrav Report (TB)

TB: Been talking to Cawky, need Headline, need less than headline. Asking Ex-Grizedale VP. Sean has booked DJ Jay (Free with sexual favours from Sean). Meeting tomorrow. Brind has been working on his interior design skills, Also have a list of all of the deities that worked in the Greek Government of old.

PA: Anything in mind for Headline?

TB: No.

LT: Cousin works at O2 Newcastle in bookings, could be interesting.

TB: Trying to get someone up and coming. ☺

7.1. Block Pages (PA)

PA: Need some updates for cover photos, 48, 49, 52, 53 and descriptions, need new JCR exec members, 49, 52, 53, 55.

TB: Who's taking over 48. Alex can take 48 despite Phill wanting to Monopolise Cartmel and change its name to the Phillip Apter College.

PA: Put a poster in the meeting room with details of the meeting room.
